AMUSEMENTS

PRISCILLA DEAN AT THE BUTLER TODAY

One day Sari was a ragged beggar girl romping the streets of Stambul, Constantinople's vilest suburb. The next day found her arrayed in the finest clothes money could buy in the marvelous bazaars of the Turkish capital. She was to be married to the wealthiest sheik in all the sultan's domain. She was to become the prime favorite in the most famed harem of the Moslem world. Why did she object to this fate—an honor coveted by Turkish maidens of every rank? Where did the lover figure the devil-may-care young American, who knew beauty wherever he saw it who tried to get it, no matter what the price? Why was the immense reward offered for this girl, and why did the Arabian sheik journey around the world to find her?

How did she escape from the powerful sheik, her intended husband? The answers to these questions form a series of the most dramatic incidents ever written upon the page of romance. They were chronicled by the noted novelist, H. H. Van Loan, in "The Virgin of Stambul," which will be shown at the Butler today, and is one of the biggest pictures of the year.

Tomorrow, the American beauty, Katherine MacDonald, in "Passion's Playground."

PAYDAY DISTRIBUTES MONEY

According to the bank reports, the amount of money distributed today to mine employees sets the pace for a record-breaking year. The class of such is steadily improving and the mining operators are better pleased with results.

CAN YOU BEAT IT?

Today on violin, Lichtenberg, on saxophone, Billy Murray on piano. Hear them at the big dance at the Airdome Wednesday night, the 12th.

BUY NOW

We had a customer in Goldfield who made over Fifty Thousand Dollars in less than three months. He bought stocks at a cent and sold his accumulations all the way from 25c to 75c per share. He bought some Tonopah Divide at 34c per share. We do not know what he sold it for, but he must have got a good price.

The conditions everywhere indicate a big mining market within the next three months. We believe that the penny Divides will prove a bonanza to anyone who takes them on now. We believe that Rosetta will return a profit of 1000 per cent or more in sixty days. They are working now in a section directly under that portion of the surface where values around \$2000 per ton are not uncommon.

Buy penny Divides. The gamble is small, the chances are big.

PUBLIC SCHOOLS REOPENED TODAY

All departments of the public schools reopened this morning after being closed for three weeks because of the teachers' institute and the regular Christmas vacation.

Miss Thoburn was transferred to the room Miss Schroeder taught during the fall months. Miss Maile French, has taken Miss Thoburn's room. Miss French is a graduate of the St. Cloud, Minnesota, state normal school, and has had eight years' experience as teacher of the upper grades. She comes to her work in Tonopah with the best of recommendations.

For the kindergarten vacation Miss Catherine Coughlin has accepted the offer made her and will arrive in time for work the coming week. Miss Coughlin has had charge of a kindergarten in Hibbing, Minnesota.

CARLOAD FLOUR ARRIVES

Paul Weiss received a carload of Washburn-Crosby Minnesota flour today, and is busy making distributions of the same to his numerous customers. The flour came direct from the mill, which accounts for the low price as advertised in the list of specials advertised in Mr. Weiss's ad today in The Bonanza.

Merchants' lunch at the Mizpah Grill 50c.

LUMBER TRUST UNDER PROBE

(By Associated Press)

WASHINGTON, D. C., Jan. 10.—A general investigation of the lumber industry and more particularly of the yellow pine industry of the south is being conducted by the department of justice to determine whether there have been violations of the Sherman anti-trust act.

This became known after the federal trade commission had transmitted to congress a copy of its report of the activities of lumber manufacturers which it prepared at the request of the department of justice.

DANIEL WEBSTER'S TREE IN THE HALL OF FAME

WASHINGTON, D. C., Jan. 10.—In celebration of the birthday anniversary of Daniel Webster, the tree on which he as a youth hung his scythe upon deciding to go to Dartmouth college has been given a place in the Hall of Fame for trees with a history. The nomination of the tree was made by Frank W. Hancock of Franklin, N. H., which then known as Salisbury, was the birthplace of Webster on January 12, 1782. Mr. Hancock has lived near the tree for 60 years.
